

New York City Covid-19 Parking Permit Privileges

Where can I park with the permit?

- Any metered parking space (Passenger or Commercial) without charge.
- Any “No Parking” space
- Any sign indicating street cleaning regulations (sign with a broom symbol).
- In any space designated “Truck Loading Only.”

Exceptions: Please read these signs carefully, as permit holders may only park during the days and times trucks can park. For example, if a sign says “Truck Loading Only 10am-3pm” Permit holders may only park during those times.

Where can I not park with the permit?

- Spaces designated for ambulances and ambulettes.
- No Stopping Zones, No Standing Zones, School Days Zones, general No Standing Zones with restricted hours (e.g. “No Standing between 4-7 PM”), or Hotel Loading Zones.
- Fire Zones, Bus Stops, Taxi stands, driveways, crosswalks or sidewalks.
- Bus lanes (when active as per signage) or Bicycle lanes.
- Within 15 feet of a fire hydrant.
- Any space designated for use by Authorized Vehicles, including Diplomats (DPL), New York Press (NYP), or any Governmental Agency.
- Garment District truck loading area defined as crosstown Streets from West 35th through West 41st Streets, between 6th and 8th Avenues.
- Spaces in NYCDOT municipal parking fields that are designated for paid quarterly parking permit holders.
- Areas where the NYPD and/or the Mayor’s Office of Media and Entertainment have reserved parking spaces for a film or TV shoot.
- Streets that NYPD has closed off for parades, street fairs and similar events.
- In spaces reserved for car share vehicles.
- You may not double park or obstruct any traffic lanes.

Note: Your permit is to be used for medical employment purposes only. It may be displayed only in the vehicle listed on the permit.

If you received a parking summons for parking in an area that is allowed by your permit, please follow the instructions on the ticket you received regarding how to dispute the ticket.
